Regional Roadmap for School Safety

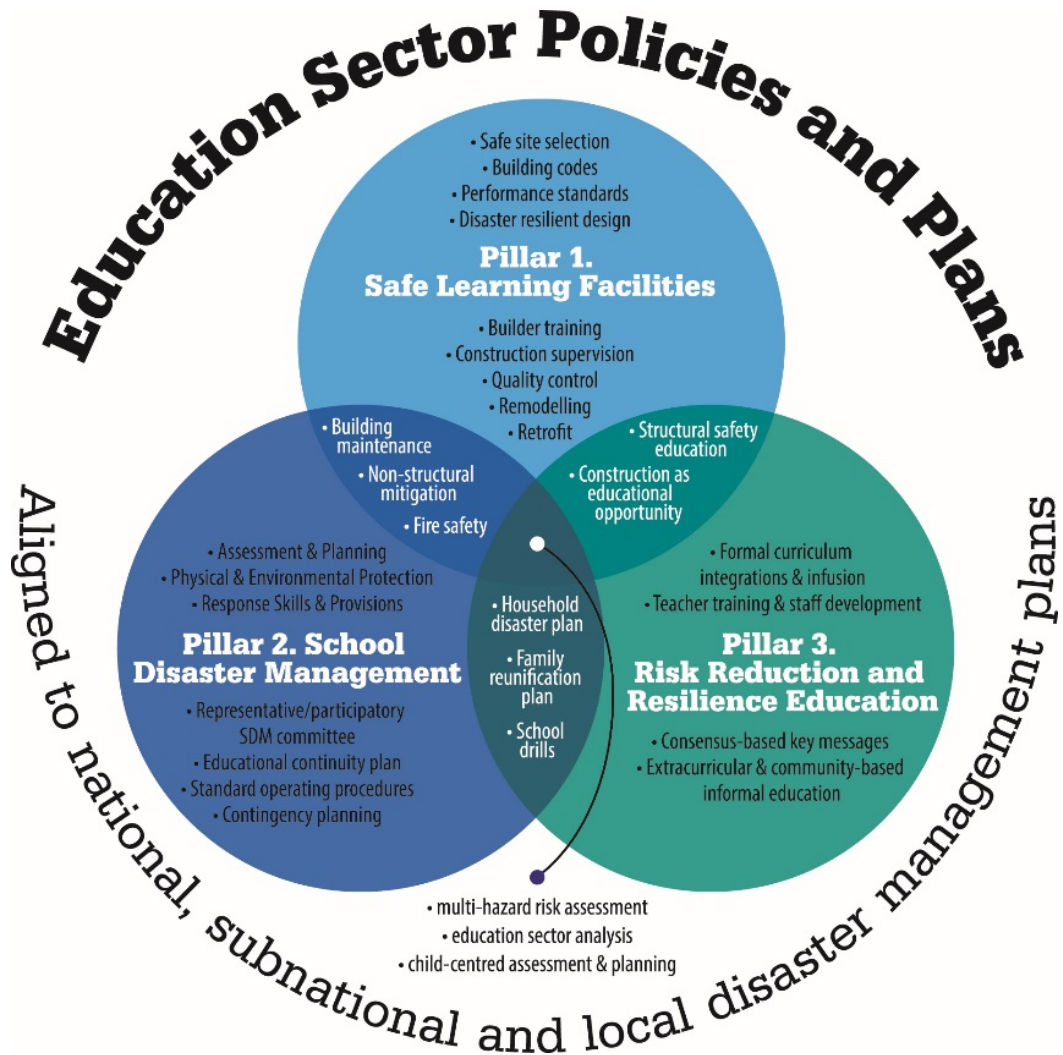

Priorities survey

April 4, 2017

Kingdom of the Netherlands

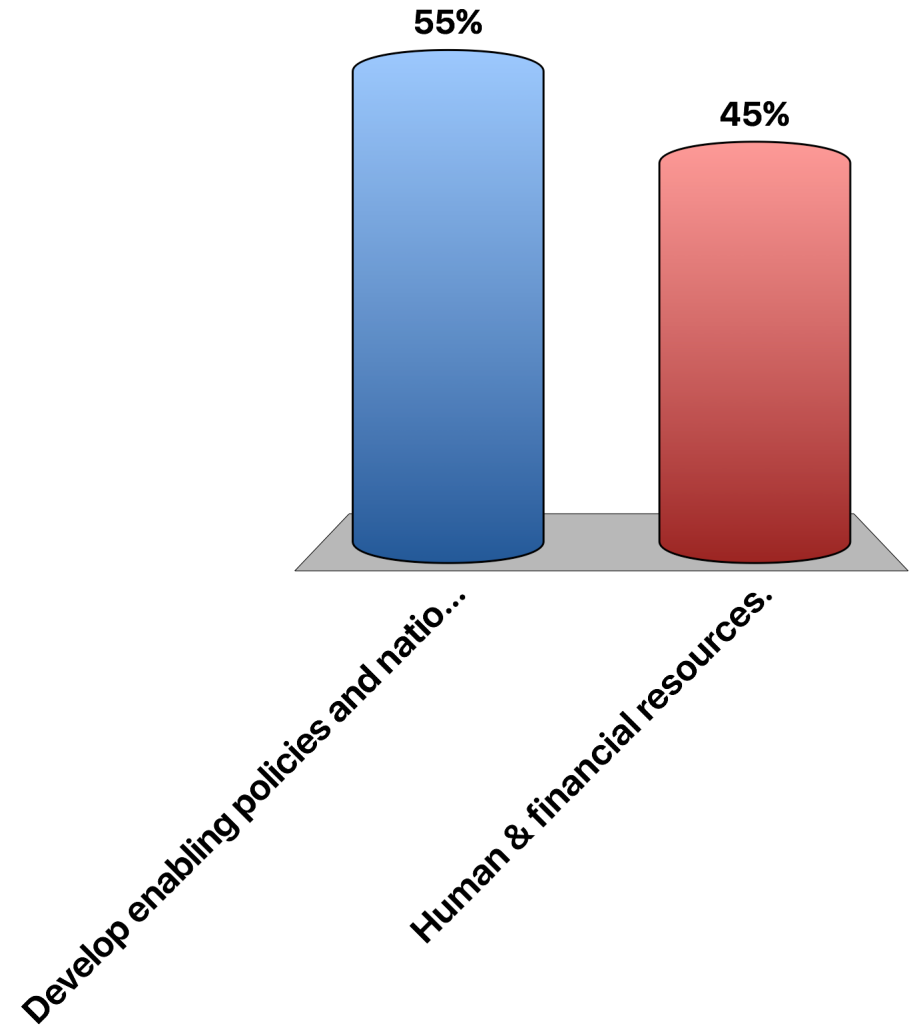

Caribbean Safe School Ministerial Forum, 3-4 April 2017, Antigua and Barbuda

Enabling environment

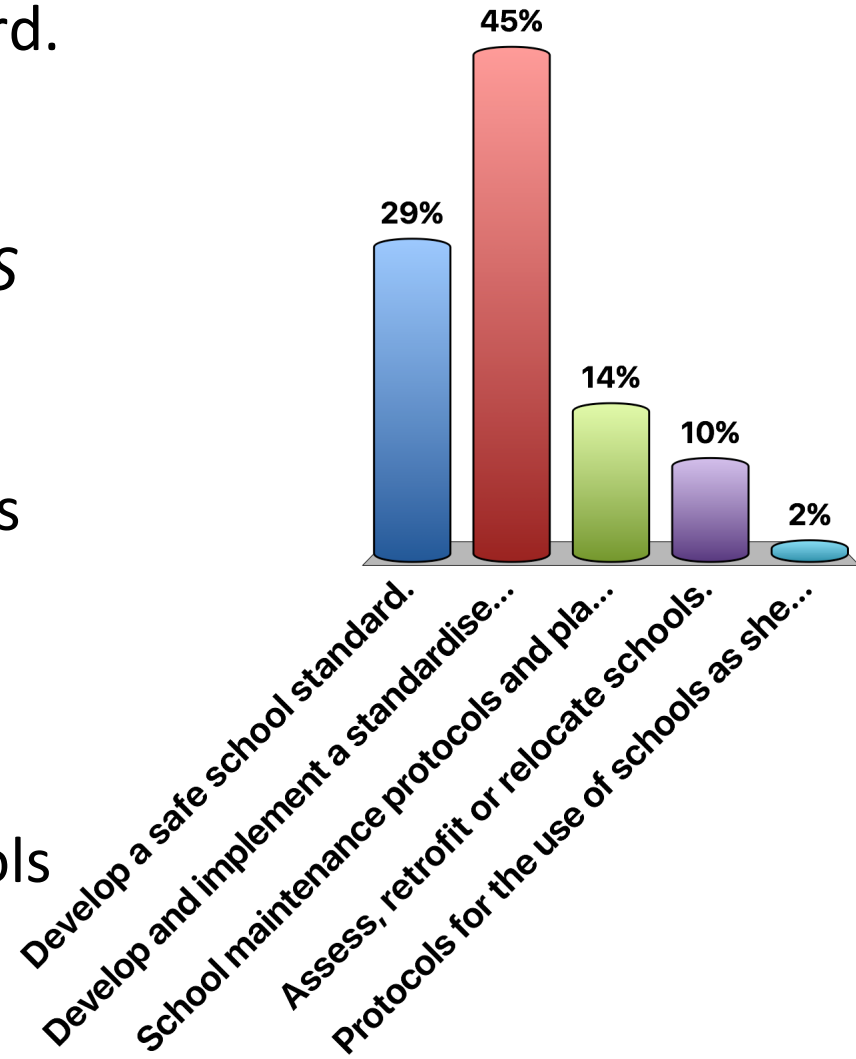

- A. Develop enabling policies and national plans/strategies.
- B. Human & financial resources.

Pillar 1:

Safe Learning Facilities

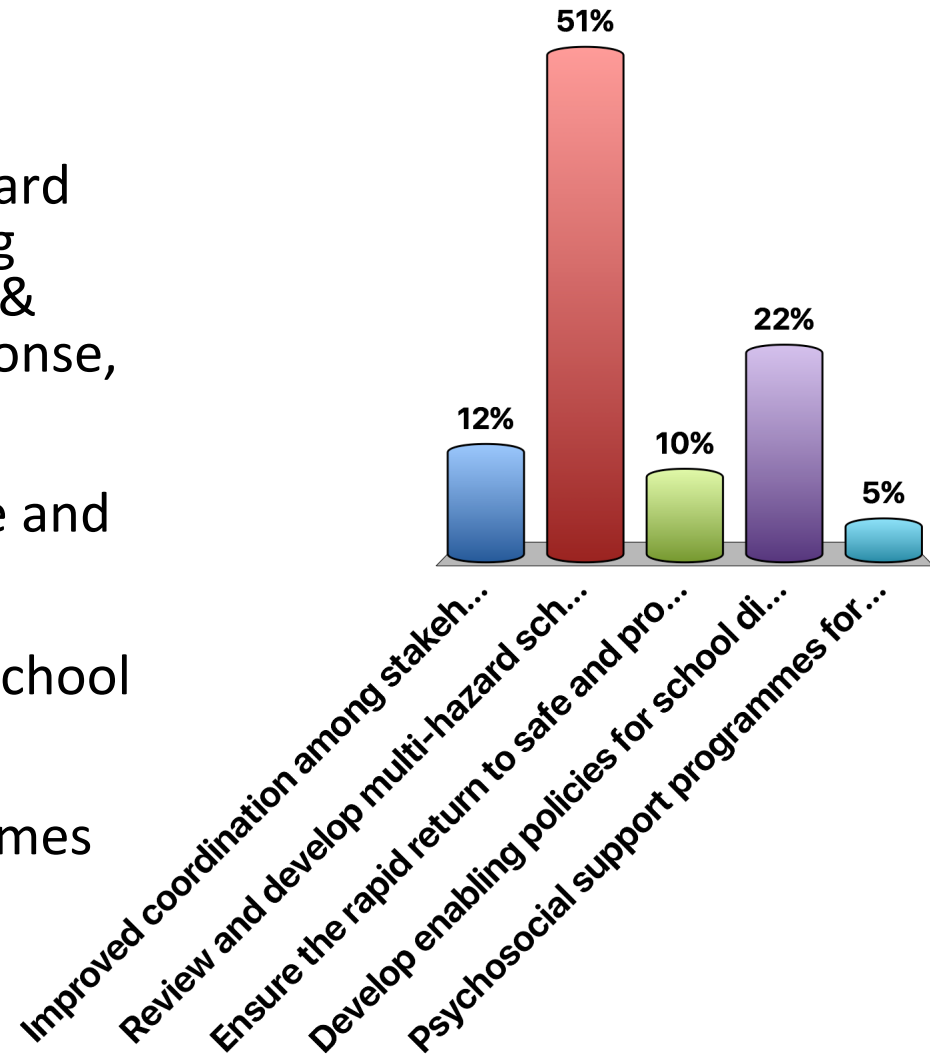

- A. Develop a safe school standard.
- B. Develop and implement a standardised school safety assessment (*considering 3 CSS components and overarching policies and plans*).
- C. School maintenance protocols and plans.
- D. Assess, retrofit or relocate schools.
- E. Protocols for the use of schools as shelters, as a last resort.

Pillar 2:

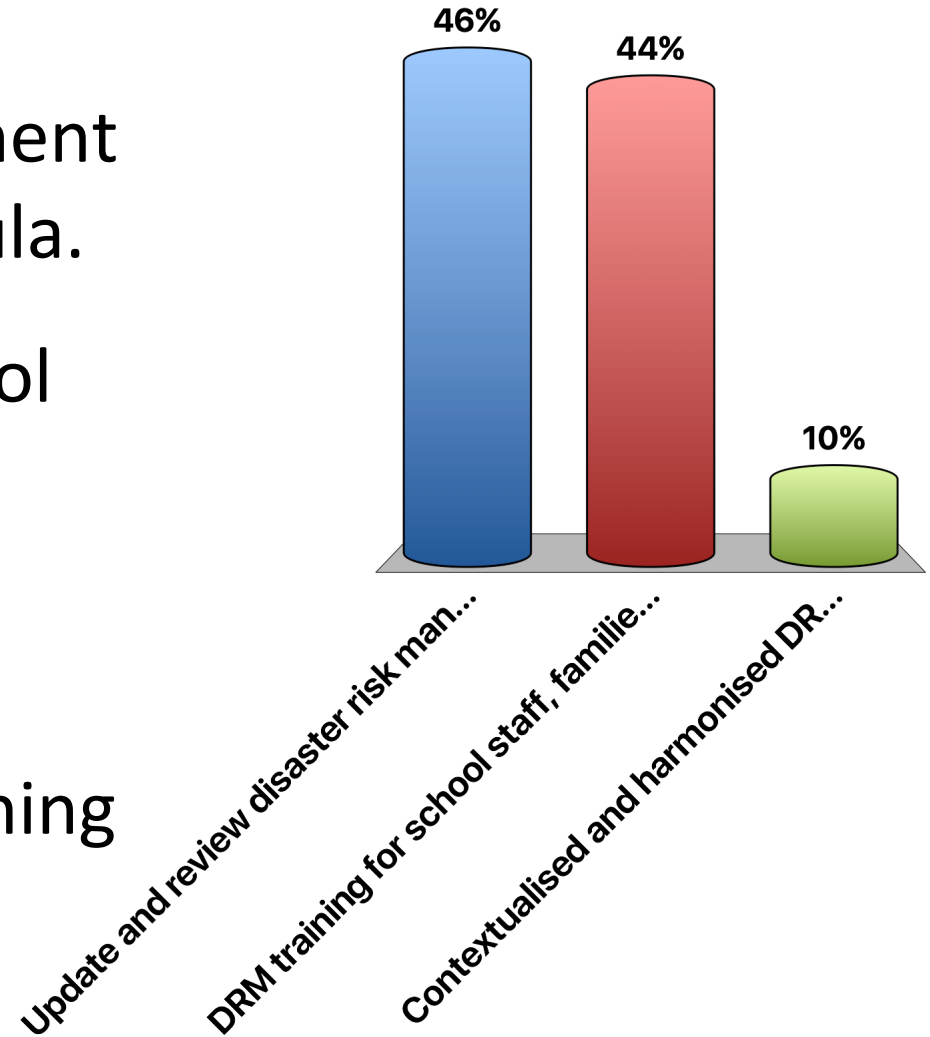

School disaster management

- A. Improved coordination among stakeholders led by MoE.
- B. Review and develop multi-hazard school safety plans and guiding documents (risk identification & reduction, preparedness, response, and recovery).
- C. Ensure the rapid return to safe and protective learning spaces.
- D. Develop enabling policies for school disaster management.
- E. Psychosocial support programmes for students & teachers in emergencies.

Pillar 3: Risk Reduction and Resilience Education

- A. Update and review disaster risk management components in curricula.
- B. DRM training for school staff, families and community.
- C. Contextualised and harmonised DRM training materials.

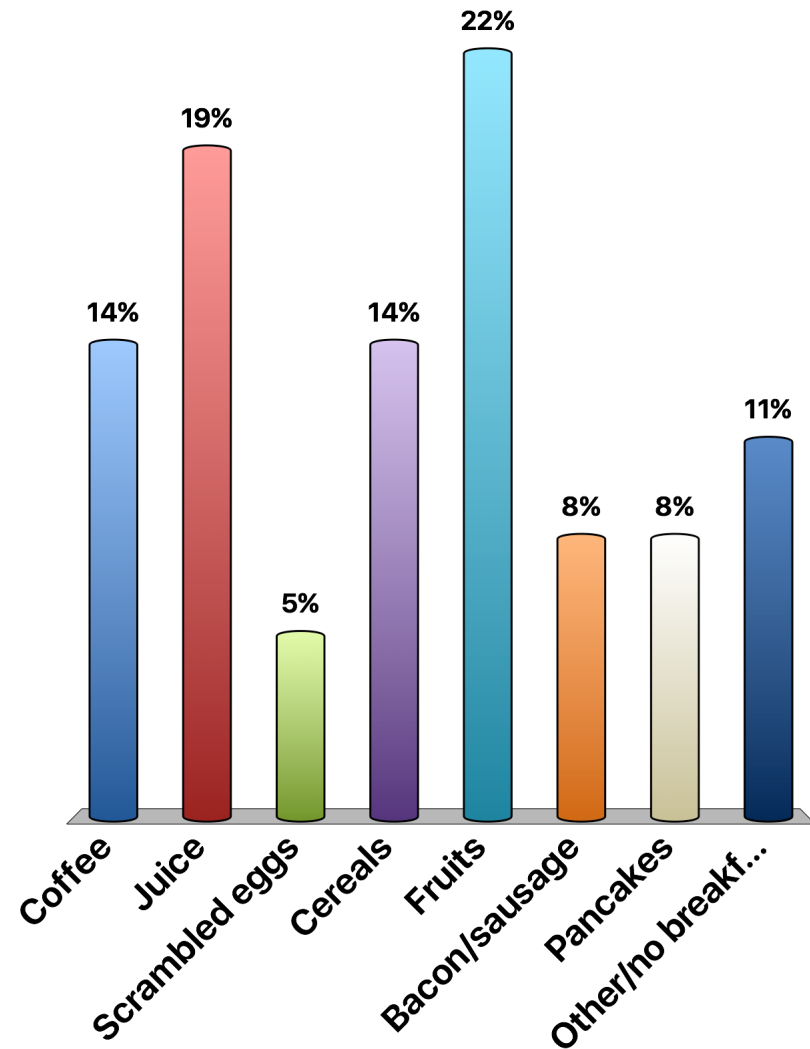

Caribbean Safe School Ministerial Forum, 3-4 April 2017, Antigua and Barbuda
